Engineering Hall 203A1

Turning the System On

- Press the [POWER ON] button on the display remote.

Note: The display must be turned on before sources can be selected.

Using a Laptop

- Connect your laptop to the end of the HDMI or VGA cable that is not connected to the display.
- Select the appropriate source using the [HDMI] or [VGA] buttons on the remote control.

Turning the System Off

- Press the [STANDBY] button once.
