MNTL 2000C

**Turning the System On**
- Press the [POWER] button on the projector remote.

**Using a Laptop**
- Connect your laptop to the end of the VGA cable that is not connected to the projector.
- If laptop is not already displaying, press the [SOURCE SEARCH] button on the projector until the appropriate source is selected.

**Note:** Depending on your laptop model, you may need an adapter. Adapters can be borrowed on short term loan (4hrs.) from an Engineering IT Help Desk.

**Turning the System Off**
- Press the [POWER] button twice on the projector remote. It will take a minute or two to cool off and shutdown.
