Transportation 306A

Turning the System On

- Press the [POWER] button on the projector remote or the TV remote.

Using a Laptop with TV

- Connect your laptop to the end of the VGA cable not connected to the TV.
- Press the [SOURCE] button on the TV remote and select the appropriate input.

Note: Depending on your laptop model, you may need an adapter. Adapters can be borrowed on short term loan (4hrs.) from an Engineering IT Help Desk.

Using the Resident PC with Projector

- If the resident PC is not already selected, press the [INPUT] button on the projector remote and choose the appropriate input channel.

Turning the System Off

- Press the [POWER] button on the TV remote.
- Press the [POWER] button twice on the projector remote. It will take a minute or two to cool off and shutdown.
